My Passion Project Proposal – Topic: _____

Your Topic

Tell me about your passion. Be sure to narrow it down to something specific... as specific as you can be. This will help *focus* your presentation. What are you curious about OR what do you want to teach your classmates?

Reason

List 2-3 reasons why you are SO interested in this topic

Why is it important you research this topic? What do you hope to learn? How will it change you or how will it change others?

The Research

For any good research project, we must have some driving *questions*. What are you curious about that you can't wait to find answers to? List at least 6-8 questions.

What support will you need and who will you need support from?
